The administration will use a breathalyzer or similar instrument to test students that appear to be under the influence of any controlled substance. Administration may use the breathalyzer on the student at any point during the dance. Students who fail the test at any point during the dance, are not issued a refund of the dance ticket. They will be held until released to the custody of their parents and/or police, and will be subject to disciplinary actions under the discipline code of San Dimas High School. Student will be ineligible to attend the next school dance.
