The mission of the SD Saints Boosters is to provide support to the school's athletic teams, Drama Club, Cheer team, Dance team, Choral groups and school clubs. Boosters is a non-profit benefit organization focused on encouraging the students and enhancing the athletic and event programs and clubs at SDHS.

Money raised from Booster-sponsored events and membership dues is used to purchase supplies, equipment, and other projects above and beyond what is provided by the school budget. Through our fundraising efforts, the Boosters are able to provide "extras" for the teams, clubs and programs and since its inception in 2016, the Boosters has provided funding to repair the commercial ice machine used by all teams and contributed \$5,000 toward improvements to the weight room. With your support we look forward to contributing more to the students of SDHS.
