One of the most exciting moments for a student is receiving a scholarship for college.

Years of hard work have led to this moment. Make it official and sign your Letter of Intent!

IF your senior is being offered a scholarship to attend a higher education (University, College, Private, Junior College, Military, Vocational, Arts) for art, band, choir, drama, science, sports or another activity, we would be honored to celebrate them signing their Letter of Intent at National Signing Day on Wednesday, November 8th here on campus.

Please click on the link for further details!

This is the FIRST National Signing day of the year! Don't worry... if you don't make this one, there will be a few more...

Must sign up by Monday, Nov. 6th.
