

Athletic Clearance

2022-2023

Athletic Clearance is done online ONLY

Parents of San Dimas Saints and Future Saints Athletes,

CURRENT STUDENTS & NEW STUDENTS to San Dimas HIGH SCHOOL (2022-2023)

- If you are participating in athletics, you will need to get a **physical dated May 1, 2022 or later** that has a stamp and is signed by an MD, PA or DO.
- You will need to go to www.AthleticClearance.com and create a profile in the 2022-2023 school year.
- Parents and students must sign all forms, complete the information and upload your current physical that is dated after May 1, 2022. You will need to have this completed before you can participate or try-out for sports/cheer/dance at San Dimas High School.
- **PLEASE ONLY** select the sports you plan to participate in. Do not select more than three sports. This is extremely important. You can always go back and add a sport later in the school year if you need to do so.

Please note that we do not take any physicals in the front office nor will coaches accept any paperwork. All students must be cleared online to participate.

Online Athletic Clearance FAQ

Multiple Sports Once you complete a clearance for one sport, most of the information you have entered will be retained in the system. To register for an additional sport, select New Clearance and after you enter the year, school, and sport most of your information will auto fill. It is a good idea to request clearance for all sports you might want to play so you don't have to wait for clearance later in the year.

Physicals -The physical form can be downloaded from sandimashigh.com or a paper copy can be picked up in the front office. **The physical must be signed by an MD, PA or DO.** We will not accept physicals from a Nurse Practitioner or Chiropractor. *The form must be signed by the doctor and also include their stamp.* Once you obtain the completed physical you will need to upload to your profile at athleticclearance.com

Recommendations: _____
 I have examined the student named on this form and completed the preparticipation physical evaluation. The athlete does not have apparent clinical contraindications to practice and can participate in the sport(s) as outlined on this form. A copy of the physical examination findings are on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the physician may rescind the medical eligibility until the problem is resolved and the potential consequences are completely explained to the athlete (and parents or guardians).
