The screenshot displays the Microsoft Translator website interface. At the top, the Microsoft logo is on the left, followed by navigation links: 'Translator', 'Home', 'Text', 'Conversation', 'Applications', 'Help', 'Languages', and 'For Education'. A 'For Business' button is on the right. A search bar with the text 'All Microsoft' and a magnifying glass icon is also present.

The main content area features a large background image of people in a meeting. On the left, there is an icon of two people with sound waves, representing conversation. Below this icon, the text reads: 'Break the language barrier' and 'Translated conversations across devices, for one-on-one chats and for larger group interactions.'

On the right side, there is a 'Start conversation' form. It has two tabs: 'Join conversation' and 'Start conversation'. The form includes the following fields:

- 'Conversation code' with a question mark icon and an empty input field.
- 'Your name' with a question mark icon and an input field containing 'Kristal Henriquez-Pulido'.
- 'Your language' with a question mark icon and a dropdown menu showing 'English'.

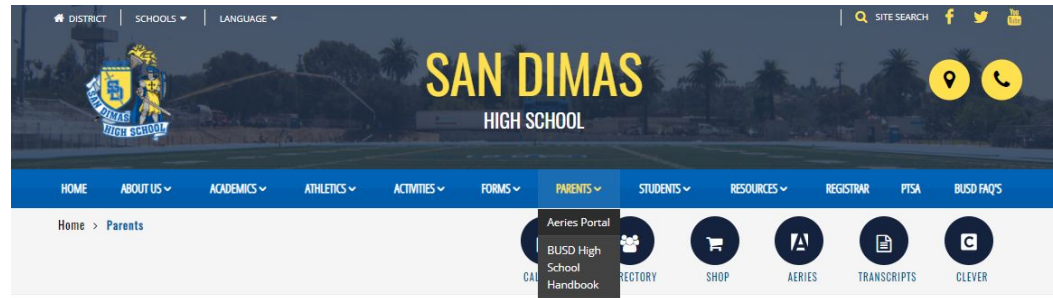

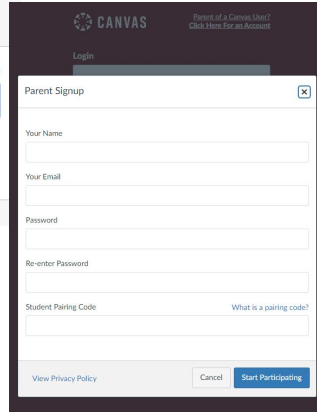

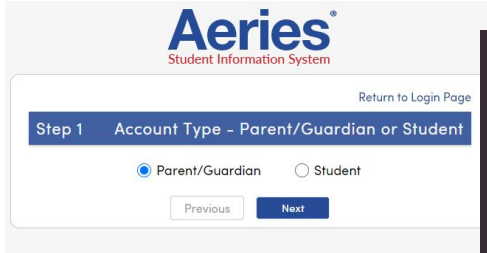

Below the form is a green 'Enter' button. At the bottom of the form, there are links for 'Privacy & cookies' and 'Services Agreement'.
