The screenshot displays the Microsoft Translator website interface. At the top, the Microsoft logo is on the left, followed by the 'Translator' title and navigation links for 'Home', 'Text', 'Conversation', 'Applications', 'Help', 'Languages', and 'For Education'. A 'For Business' button is on the right. A search bar with the text 'All Microsoft' and a magnifying glass icon is also present.

The main content area features a blurred background image of people in a meeting. On the left, there is an icon of two people with sound waves, and the text 'Break the language barrier' followed by 'Translated conversations across devices, for one-on-one chats and for larger group interactions.'

On the right, a dark grey dialog box is open, titled 'Join conversation' and 'Start conversation'. It contains the following fields:

- 'Conversation code' with a question mark icon and an empty text input field.
- 'Your name' with a question mark icon and a text input field containing 'Kristal Henriquez-Pulido'.
- 'Your language' with a question mark icon and a dropdown menu showing 'English'.

A green 'Enter' button is located at the bottom of the dialog box. At the very bottom of the dialog, there is a link for 'Privacy & cookies | Services Agreement'.
